Planned construction activities to be completed in the coming weeks

Stage 1A – West side of Station Street

- Preparation and concrete works of the pedestrian pavement around the Telstra pit. The footpath will be open to the public after this task.

Stage 2A – South side of The Boulevard

- The kerb and channel construction on the south side of The Boulevard including stormwater drainage adjustments.
- Preparation and concrete work for the footpath and the residential vehicle crossings on the south side of The Boulevard.

Construction noise	Higher than normal noise levels and some localised dust may occur during earthworks. The contractor, Evergreen Civil Pty Ltd will manage this as required.
Site access	Construction vehicles access the site via the Station Street car park
Upcoming traffic changes	• Major works will include road pavement reconstruction on Station Street • The western footpath on Station Street will remain closed until further notice • Station Street will be one way traffic from northbound to southbound until further notice
