The Boulevard Streetscape Revitalisation

Notification of Carpark Works

This letter is to inform you of proposed carpark works from Wednesday 4 November 2026 until Monday 30 November 2026. The work will include demolition of the existing carpark areas, installation of new drainage, kerb alignments, gardenbeds, furniture and pavements (see plan below).

Reduced carparking (including accessible) will be available to the public.

We will do our best to minimise disruption, however increased noise from machinery and vehicles will be heard during this time. We apologise for any inconvenience these works may cause.

We encourage you to arrange alternate access from the rear laneway if possible. If you require urgent assistance, please contact the Site Works Supervisor John Athanasopoulos on Mobile: 0429 476 847.

We appreciate your patience and cooperation during these works and will continue to minimise disruption wherever possible.
