

How we can help

The City of Whittlesea would like to connect with all businesses located in the municipality to offer support now and into the future.

- **Priority development assessment process**
fast-tracking with a case manager.
- **Business concierge**
centralised business permit assistance.
- **Business advisory panel**
Council collaborating with local business leaders.
- **Commitment to buy local**
become a supplier of products or services to Council.
- **Business education and training**
empowering businesses with knowledge and skills.
- **Linkages to local workforce**
supporting an inclusive and diverse local workforce.
- **State and federal government advocacy**
for investment in infrastructure and services.
- **Government and partner introductions**
facilitating opportunities for funding and collaboration.
- **Showcasing excellence**
recognise business achievements through award programs.
- **Grants and funding support**
information about support available from all levels of government and other organisations.
- **Local knowledge**
experienced professionals connected to the community.
