

# Whittlesea 2040: A place for all

Four interconnected goals have been identified as essential elements to realising the vision. To achieve each of these goals, our work will be focused on three key directions. Our achievement in each will be measured by priority indicators.

## Goal 1: Connected community

A socially cohesive community

A healthy and safe community

A participating community

## Goal 2: Liveable neighbourhoods

Smart, connected transport network

Well-designed neighbourhoods and vibrant town centres

Housing for diverse needs

## Goal 3: Strong local economy

Increased local employment

Education opportunities for all

Successful, innovative local businesses

## Goal 4: Sustainable environment

Valued natural landscapes and biodiversity

Climate ready

Leaders in clean, sustainable living
