Open consultation sessions

Additional centre visits other than the key age and stage assessments.

No appointment required

The Open Consultations sessions offer parents an opportunity to visit a Maternal and Child Health nurse in between their child's scheduled key age and stage assessments.

This service does not replace the KAS assessments but offers shorter 15 minute consultations for the purpose of follow up and review.

Breastfeeding support

A support service for breastfeeding mothers.

No appointment required

If you live in the City of Whittlesea and need support with breastfeeding your baby, come along and receive advice from our lactation consultants and midwives. Support is provided on feeding your child breast, bottle or solid foods.

Arrive when your baby is ready to feed and attend at the beginning of the session if possible.
