

2020 Immunisation timetable

We are making some changes to the way we conduct our public sessions to ensure we can keep our community and our staff safe during the coronavirus (COVID-19) pandemic.

You will need to **book a session online** whittlesea.vic.gov.au/immunisation

What to do when you get there

- **Wait in your car** until your appointment time
- **One parent or guardian** to accompany a child for their immunisation appointment

Please **do not** attend an immunisation session if you or your child:

- is unwell in any way
- have returned from overseas within the past 14 days (self-isolation period)

If you require an immunisation history statement, please contact the Australian Immunisation Register on **1800 653 809**.

Visit www.betterhealth.vic.gov.au to access information regarding what vaccines you might need at any age; it depends on your health, age, lifestyle and occupation. Please do not attend any earlier than the stated schedule. The current schedule is 6 weeks, 4 months, 6 months, 12 months, 18 months and 4 years. We also immunise adolescents and adults.
