Additional Consultation Sessions

Additional centre visits other than the Key Age and Stage assessments.

No appointment required

The Additional Consultations sessions offer parents an opportunity to visit a Maternal and Child Health nurse in between their child's scheduled Key Age and Stage assessments.

This service does not replace the KAS assessments but offers shorter 15 minute consultations for the purpose of follow up and review.

These drop-in services are CLOSED on public holidays and on-site interpreters are not available.

For updates on unanticipated service interruptions, scan the QR code below or check our website and Facebook pages.

Feeding Support Sessions

Support for parents and carers with feeding children from newborn to toddler age.

No appointment required

If you live in the City of Whittlesea and need support with feeding your baby, come along and receive advice from our Lactation Consultants and midwives on feeding your child breast, bottle or solid foods.

If possible, arrive when your baby is ready to feed and attend at the beginning of the session.

These drop-in services are CLOSED on public holidays and on-site interpreters are not available.

For updates on unanticipated service interruptions, scan the QR code below or check our website and Facebook pages.
